

Aliens

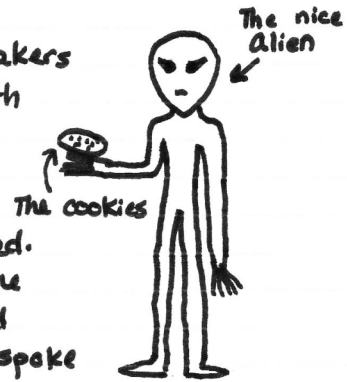

*The Daily Star,
C.O.: Mr. Jones*

Last night I saw an alien! I was at Bakers Field, it was about 12:30 am and I was with my girlfriend. We were sitting in the field looking at the stars. Suddenly, there was a bright light. My girlfriend and I couldn't move our bodies. My girlfriend was very scared.

The aliens took us into their spaceship. The aliens were tall, slender and green. They had long fingers, a big head and big eyes. They spoke English and a language I didn't know. They gave us some soft, chocolate chip cookies and milk. We were too scared to eat. Suddenly the spaceship door opened. My girlfriend and I walked out and the spaceship left.

After the spaceship left, my girlfriend and I went home. We couldn't sleep all night. I don't know what they wanted but they were nice.

*Sincerely,
Billy Bob*
